## Lanes opening where possible for Independence Day travel

*Non-emergency closures suspended, work zones still plentiful across the state*

**SPRINGFIELD** –The Illinois Department of Transportation announced today that lanes that have been closed for construction will reopen, where possible, for the Independence Day holiday to minimize travel disruption.

Non-emergency closures will be suspended from 3 p.m. Friday, June 30, to 11:59 p.m. Tuesday, July 4.

The following lane closures will remain in place during the holiday weekend. Motorists can expect delays and should allow extra time for trips through these areas. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and stay alert for workers and equipment. At all times, please buckle and drive sober.

### District 1

#### City of Chicago

- Outbound Bishop Ford Freeway (eastbound Interstate 94) ramp to eastbound 130th Street; closed, detour posted.
- Outbound Kennedy Expressway (westbound I-94) west of Addison Street; right shoulder closed.

#### White County

- U.S. 45 south of Norris City; closed, detour posted.
- Main Street (Illinois 1) between Fourth Street and Third Street (Illinois 14); closed, detour posted.

To avoid these work areas, when feasible, use of alternate routes should be considered.

Over the next six years, IDOT is planning to improve more than 2,500 miles of highway and nearly 10 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Accomplishments through Year Three

of Rebuild Illinois included approximately \$8.6 billion of improvements statewide on 4,422 miles of highway, 412 bridges, and 621 additional safety improvements.
